

CECILLIA SANTINA IORIO

Nov 1, 1949 - April 14, 2018

Cecillia started paddling with Abreast In A Boat, at Barnet Beach, Port Moody in 2000. She is survived by her brothers Giuseppe and Berardino, niece Ornella, nephews Elio and Ricardo. She is also survived by many cousins, relatives and friends here, in the U.S. and Italy.

She had a lovely smile, was kind and caring, was always happy and loved to sing. Her enthusiasm for dragon boating was instant as she was a Strong and fit paddler. As a paddler on our crew she signed up for many summer regattas.

She liked to “personalize” as she called it, her dragon boat uniform and all accessories and equipment with bows, buttons, bracelets, pompoms all pink of course.

Her vivacious spirit will be missed for a very long time to come. Rest In Peace Our Angel.
