

# MARY SCOTT

September 1950 – August 2015

Mary loved people and throughout the years was an enthusiastic and active member of numerous community organizations and charities in and around Richmond, most recently with the Abreast In A Boat dragon boat paddling team.

Mary joined AIAB in 2010. She was on the Abreast with Richmond crew for 3 years, before moving on to the Abreast with Hope boat for the past two years. While still with the Richmond crew, she also spared for a couple of years prior to her moving fulltime to the Hope boat. She loved being out on the water and paddling with AIAB. We will miss her wonderful smile and great sense of humour.

Mary will be forever loved and missed by her husband Paul, her sons Steven and Darren (Denise) and her grandchildren Emily, Evelyn and Logan.
