

SUE GROUETTE

We are extremely sad to advise of the passing of **Sue Grouette** on June 2nd, 2018.

Sue joined AIAB in 1997, initially paddling down in False Creek. In 1998 she moved to Barnet and paddled there for a number of years. Sue did many of the summer venues, going to Victoria, Kelowna and Seattle.

In 2002 she joined the Singapore crew and along with her greatest supporter, Len, they traveled to Vietnam, Hong Kong and Thailand. She also went on the grand adventure to Australia.

In 2006 Sue decided to paddle with the newly-formed Fort crew and there she provided her stroking skills for many years.

In the last few years Sue was a happy member of the Hope Boat.

We will miss her eternal bright smile, her wonderful laugh and, indeed, her Fortitude.
