

ANN GRAINGER

Ann passed away on July 29 2000, at the age of 64.

We first came to know Ann when she joined the “Best Abreast” novice dragon boat team in 1998, and she continued to paddle in 1999 before her cancer recurred.

Ann was a wonderful wife and mother and certainly had many interests in her life. She was an actress, a former nurse and a successful financial advisor. She was a strong and forthright woman which certainly came across when she paddled! Her spirit will never be forgotten.
