

## **Denny Lang**

**February 6, 1945 – November 18, 2021**

Denny joined Abreast In A Boat in 1998, paddling for several years in False Creek. She was a devoted wife, mother and grandmother who dedicated herself to her family first, paddling second. A delight to be with, Denny brought enthusiasm and fun to the boat, while paddling hard and aiming to win at every race.

Skiing was also in her blood; as a native Vancouverite she loved to be at Whistler with friends and family, and enjoyed fishing and travelling all over the province. She loved gardening, tennis, her bridge group, and her book club of 36 years.

Denny was also devoted to her Wheaton terriers over the years. She took them to the Cancer Agency as therapy dogs. Arts Umbrella was one of her favourite causes; she was a tireless community volunteer.

We will all miss her kindness, her elegance, and her laughter.
