Shannon passed away on 24th August 1997 at the age of 43.

Shannon was a member of the original Abreast in a Boat team. She participated with us in our first races in the Vancouver festivals in June 1996. Unfortunately she was diagnosed with a recurrence of her breast cancer in July 1996.

Shannon was an excellent skier, swimmer and tennis player. She also loved to travel. She is survived by her husband Tony, and their three young sons – Alexander, Peter and Nicholas.

Shannon is remembered for her joy of life, devotion to her family, thoughtfulness, kindness and caring. She will always be remembered by her team mates.
