

WILLIE COTE

August 1939 – March 2017

Willie joined AIAB in 2009 paddling with Deas Divas until 2011, when she switched to our Hope boat.

The team can attest to the fact that she had “PANACHE”, when the novices had to do a skit at one of our parties they all looked like they came out of the rag bag. Willie was the exception; her pink scarf was beautifully draped and her hat sat at a rakish angle.

Willie had a tremendous amount of energy and love to stay busy. She was very proud to be a member of AIAB.
